Orchestra

The Chamber Orchestra was formed to play advanced music specifically written for smaller groups. Under Jane Hallet's direction, the skilled and dedicated players

have enjoyed performing classic pieces such as Mozart's "Eine Kleine Nachtmusik" as well as Feese's modern "Jazz Waltz." Highlights of senior year included two performances of Vivaldi's "Gloria" with two local parish choirs. Other favorites include the "Capriol Suite," "Contrasts in E Minor," and "The Four Seasons."

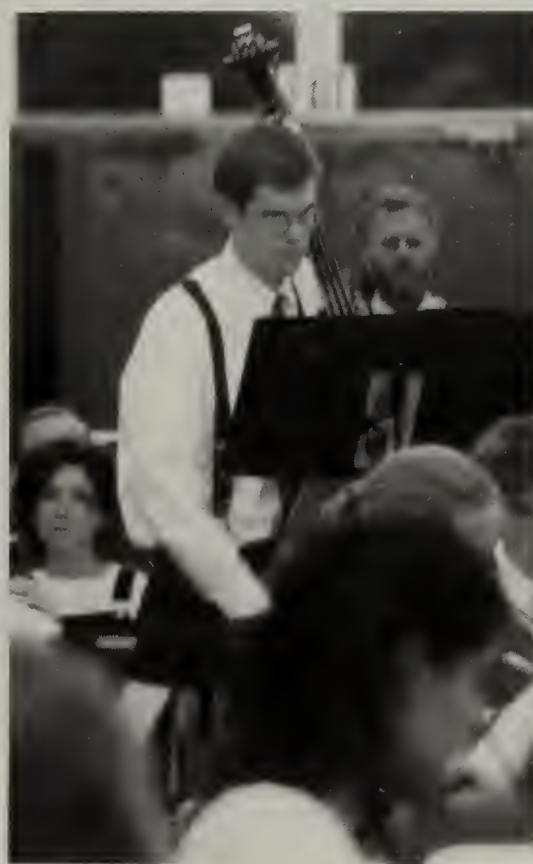

"Despite the bitter rivalries between the first and second violins, the orchestra has always been a close group. No matter what kind of music we practiced, everyone worked hard and supported each other."

The bad boys of band.

Band

This year's band members were led by President Paul Muldoon, Vice-President Adam Iser, Secretary Ben Spruill and Treasurer Lacey Pustizzi. Throughout the year the band held fundraisers to support a trip to

Atlanta for a music festival. There have been trips to Washington D.C., Maryland and Virginia. Mr. Wauchope's admirable efforts have helped to lead to the success of these competitions.

Chorus

The class of '98 was a close group. Though they were few in number, they brought a lot to the chorus during their four years. From the difficult major works like "Requiem," "Messiah," and "Camina Burana," to the humorous tunes of "Joseph and the Amazing Technicolor Dreamcoat" and "Charlie on the M.T.A.," the seniors showed their musical talent and their enthusiasm. Seniors, always remember: Funky Frosh... A-period high notes... Cumberland,

ME... Weston, CT... those fancy buses... watching the Simpsons ... trying on prom dresses in CT... hiking... Weston dance... fruit sale... "follow the drinking gourd"... Marino's banquets ... "Clouds..." trolls and pretty princesses (who's the best?)... "Miss Saigon"... spring festival... and of course, the junior suite!!

What's on the menu?

Dan,

The seniors are all smiles after their last major works concert.

Drama Club

This year's Drama club musical "Hello Dolly" set a new record for the number of cast and crew involved. The one hundred -fifty member group was led by co-presidents Amanda Diorio and Elizabeth Olson, making it the largest extracurricular club at the high school. The club's one act play "Fools" will have its "flannel Vengeance" at the Drama festival where we will host the semi-finals led by the always inspirational Ned Flanders(Mr. Higgins).The club took a third bus to New York City this year. This new bus was named "Zeus." To help pay for the weekend journey to the Big Apple, the Drama Mamas(parents of the drama students) set up a plethora of fund raisers while always checking their cars for vapor lock. As the club says goodbye to the class of '98 it also says

goodbye to their auditorium because of the school's renovation. Seniors, always remember "your first time" and the fact that we "Rock the Angka!!!" Put on a happy face.

Don't drop her!

Thespian Society

The Thespian Society is an elite group of dedicated drama students. An average "thespian" has done a lot of work on the stage or behind the scenes in technical areas. These are the people who make our Hingham High School productions spectacular, and their talent in acting and singing consistently earns rave reviews. In addition, the Hingham High group has the largest number of Thespians in Massachusetts.

Harborlight

The long hours were all worth it! The Harborlight staff, led by Editor Kate Harrington and Assistant Editor Lizzie Ford, was able to produce a wonderful newspaper this year. The Harborlight staff worked hard to generate the paper entirely within the school. All issues were even printed in the Graphic Arts room under the direction of Mr. Boddie. Special thanks to advisor Mrs. Rehnquist for the editing and guidance she provided!

The mess-ups and the laughs were always there- but that's what made the announcements enjoyable, right? Plus, there was always the occasional Friday show! Hingham High School wants to thank all of the loyal newscasters and camera people who helped to bring the announcements to the school each and every morning...Wendy, Katie, Melissa, Ellen, the Ryans, Amanda, Rose and Liz. Special thanks to Mr.Thaxter!

Senior Video

The senior video was something that was appreciated by all. With Liz Olson's past leadership experience with Junior Video, and the help of several other seniors- Karen Bonner, Rose Papuga, Lynda McCarey, Devin Sylvester, Tanisha Ranger, and others- the video was a success. Members of the staff attended various sporting events and other activities throughout the year to ensure that all class memories were captured.

Mr. Thaxter is the commander of all that you see on video tape!

Every year the seniors in the Student Council have
done a great job designing our wall.

Student Council

Throughout our time at HHS, Student Council has been the true embodiment of Class of '98 spirit. Freshmen year, the six foot tall turkey on our class wall at the Thanksgiving Pep Rally set the standard for our remaining years. Together we worked our way through disco fever, the lighthouse, and big rocket. We've cooked hot dogs (sort of), shivered our way through yard sales and carwashes, and hung more balloons and streamers than you would ever want to know. We have helped around the school and community with fund-raisers, volunteer work, and founding of B.L.U.E. (Be a Leader Understanding Equality). Basically, we have spent countless hours working to make the past four years the best possible....and we've loved every minute of it. The planning, shopping excursions,

Student Council officers: Tres. Christina Seremetis, Pres. Melissa Christino, V.P. Rachel Blumberg, Sec. Katie Pelletier

road trips, secret meetings, and pancake breakfasts have been so filled with laughter that the work flew by. When we sit back and see everyone enjoying themselves at Sophomore Barbecue or Junior Prom, it makes it all worthwhile. Thanks to all the parents, students and faculty who have contributed their time over the years. A special thanks to our advisor, Ms. Breen, who has helped us through everything. Donuts, anyone?

National Honor Society

The 1998 Hingham chapter of the National Honor Society had great fun and made outstanding contributions to the community. NHS' dinner meetings were held throughout the year and were opportunities to relax, hang out with friends, and enjoy delicious Italian suppers. In December, members were honored at an elegant candlelight induction ceremony. Here, inductees enjoyed chamber music, chocolate cake, and hilarious- and touching- comments made by speaker, Mrs. Rehnquist. Under the leadership of President Laura Caldwell, Vice-President Ben Levine, Secretary Emily Manning, and Treasurer Mike Tremblay, club members worked at the food pantry, tutored local children and volunteered as open house guides. Hingham's 1998 NHS worked hard to improve our community, and had a great time doing it.

Intergenerational

The Intergenerational Club kicked off its sixth year with operation overcoat, one of many projects they are involved in. This club consists of high school students and senior citizens working together to service the community. Working side by side contributes to a greater understanding of each other and results in a desire to become advocates for one another in every way - fiscally, socially, and politically. With generational equity issues becoming nationally recognized issues of importance, the need for this mutual advocacy is crucial. The sense of accomplishment and camaraderie among different age groups has been one of their greatest achievements.

Amnesty International

Amnesty International reaches out to shed light on many of the atrocities going on in the world which would otherwise be overlooked. We put pen to paper in an effort to rectify social or political problems in such countries as China and Turkey. By writing letters we at least acknowledge these problems exist, as awareness is the first step towards change.

AFS

The AFS Club is one of the largest clubs at Hingham High. The club tries to help the foreign exchange students at HHS acquaint themselves with American life and culture and help them feel more at home at HHS. Throughout the year AFS has activities that benefit both our community and the club members. Every year the club holds an all night dance-a-thon to raise money for the annual short term exchange. In the past three years, AFS has traveled to West Virginia, North Carolina, and Washington D.C. The plans for 1998 include a week long exchange to California.

Debate Team

The Debate Team is having a great season. Our first debate experience of the year was wonderful...with just a few glitches. Nina Villanova and Maveric Boddie won two debates. We'll remember club president Molly Prendergast's wins as well as Josh Gay's zeal for debate. The Debate team is off to a great start....Good luck to next year's team!

S.A.D.D.

Hingham High School's SADD chapter has been a big success this year. Due to the numerous students who have put so much time and effort into keeping this year safe, SADD has spread awareness of the consequences of destructive decision making. These include the dangers of drinking and drug abuse. Good luck class of 1998, and please make wise choices.

Spanish Club

The Spanish Club has had a very successful year. This club traveled to Boston with Senor Mulry to see a Flamenco show, a traditional Spanish style of dance and music of Gypsy origin which is popular in southern Spain. The Spanish Club is also planning another trip, this time to eat at Tapeo, a Spanish restaurant. The club is also looking forward to their Cinco de Mayo fiesta, celebrating France's expulsion from Mexico.

French Club

La boum anyone? The French Club was much more than weeknight movies. The club also took trips to Boston to see French flicks, museums, and restaurants on Newbury Street. In the Spring of '97, part of club took a trip to France which was an unbelievable experience. Thanks for all the fun times Madame. We'll miss you! Au revoir Hingham!

Latin Club

The Latin Club is for everyone who gets really excited over translating a couple hundred pages of the Aeneid or just enjoying a great Roman orgy, the annual end of the year cookout that's always lots of fun. Your "slave" cooks you beef, onions, peppers, and anything else you want, gets you a drink, and if you really insist, wipes your mouth for you. Regular meetings aren't as exciting (as there are no "slaves") but there are Roman movies from the 1960's and plenty of pizza.

Sumus optimi et amamus

S.E.A.

"Students for Environmental Action" is a group of die-hard students who meet together every Friday for the noble task of sticking their hands in a trash bin to remove really smelly cans. The funky odors from week-old fermenting juice would drive away even the most stout-hearted, but not this devoted bunch. This year, they've decided to tackle a new project, recycling paper, in addition to their weekly can stomping. Even though they pick through other people's trash, they stick with it because they're saving the planet.

Volunteer Club

Class of 1998 members of the Volunteer Club have made great contributions to the community. Activities ranged from a penny drive to raise funds for the Pine Street Inn to weekly visits to the Cohasset-Knoll Nursing Home. Seniors had great fun and are sad to leave...good luck to next year's club!

Oceanography Club

Under the guidance of Mr. Crowley, our resident oceanography expert, Hingham High School's Oceanography Club had a very eventful year. Our small group of ocean-minded students spent time spreading basic knowledge of our local marine habitat around town. After our elections in the fall, we practiced setting up Hingham Harbor habitats in all of the sixth grade classes. We then began the aquarium contest at the elementary schools and jumped right into the role of assistant directors, helping write, choreograph, and produce the first grade play at South Elementary School. In the winter, our club will be the first ever to represent Hingham High at the Oceanography Super Bowl at the World Trade Center in Boston. Though we have been busy, it's not all work. We always find time to go wading at the yacht club, set some crab traps, and laugh at Mr. Crowley's waders. As a group, we have grown very close and enjoyed learning and adventuring together. Pave the Rainforest with Plankton!!!

Paula Habel, Grant Daley, John Glover, Katie Gianferante, Erin Coggins, Rachel Blumberg, Wendy Spannagel

Biology Club

The members of the Biology Club, led by co-presidents Jesse Flaherty and Kate Harrington and advisor Mrs. Duffy, have had an exciting year. Club members planned, planted and maintained the courtyard garden that is appreciated by Hingham High students. They have enjoyed presentations given by amateur paleontologist and club member Liz Smith, and by Ms. Rioles, a Biology teacher at H.H.S who has studied the rainforest. The club is also planning whale watches and other outdoor activities for later on this year.

Volleyball

Intermural Volleyball has become a tradition at H.H.S. Students form their own teams in hopes of winning the "tournament" and having a lot of fun. Highlights of the season include getting to beat... oh, we mean play the teachers' team. Although it does sometimes become competitive, volleyball is played in the great spirit of H.H.S. fun!

You'd never believe that the guy without the oars does the most work!

"Some of the best days of crew were when I fell out of the boat and all of the little ones laughed at me, when I got lost in the hills of Hull, and the day we discovered Davy..."
-Naomi Leeper

Crew

The Hingham Crew has worked hard all year. Owen Mehegan, Katie Martin, and Michelle DeCourcey will never forget getting stuck on the island this fall. Emily always appreciated the beauty of rowing and nature. If the Constitution ever sinks, we know who to thank...Nina. And who will ever forget Naomi's wonderful coxswain skills. Blackburn training...and Frank you still owe us a pizza. While they are in Hull, Rose Papuga and Sarah Gillis ride into Boston everyday to row on the Charles. It's an adventure pulling stupid moves and McDonalds runs. With hard work, both teams push their limits, and have a great time.

Math Team

The 1997-1998 Math Team had another good year. Our success is due to the great coaching of Mr. Baisden and Mr. Olsen. The team was led by co-presidents Kevin Keohan and Terrence Riley and also senior Sarah Gillis. The Math team will have a bright future with juniors Emily Golden, Megan McCourt and Erin Devine, to go along with a group of talented sophmores.

PEER GROUP

Peer Group '97 was a place for the shy and the outgoing, the artistic and the athletic. It was a place for people who had never spoken to come together and speak their minds. The students they taught will grow up with a better understanding of the dangers of drugs, alcohol, and the other pressures they may face

in their high school years. Thanks to Mrs. Gustafson and Ms. Buba for a great year!!

"I will always remember the fun times and never forget the learning experiences we all shared in that peer thing, or whatever it was called."

-Kevin Keohan

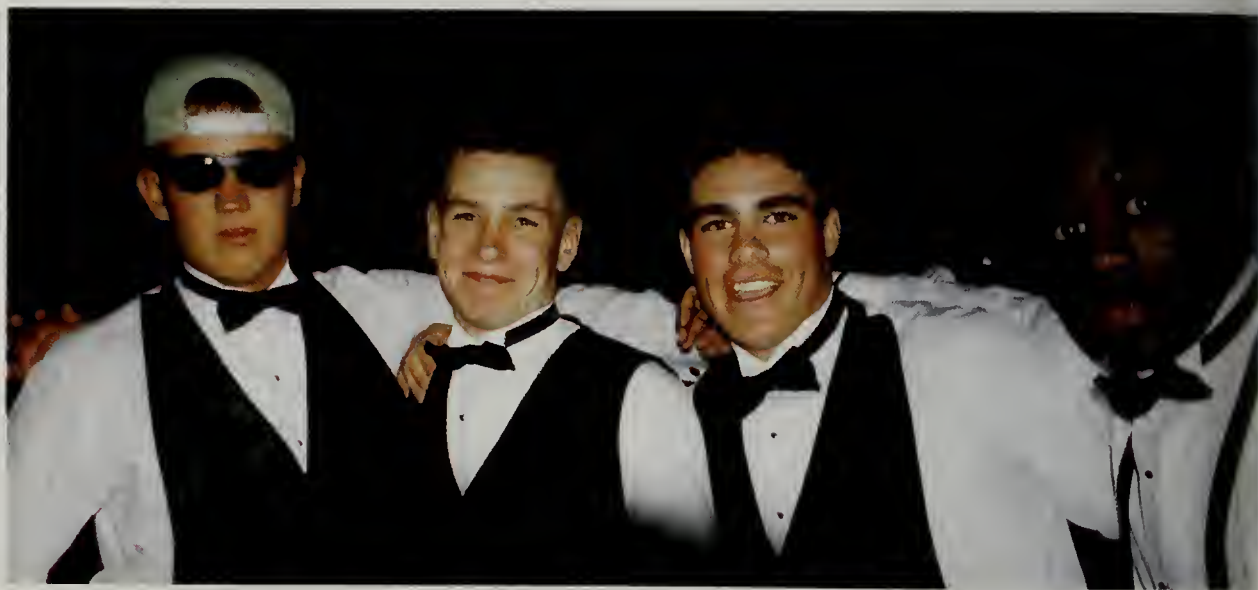

"Peer group was a lot of fun, but it was important to everyone to help others as others helped us achieve the success we enjoy today."

GLODY DAYS

Glory Days...The true glory of the Class of 1998 shone through the falling rain on the night of Junior Prom. After one look at the fabulous decorations, everyone knew the night was going to be a success. The dresses were gorgeous, the tuxedos were stylin', and of course, the dance floor was jumpin'. The D.J. kept us moving with wild music and showers of leis and crazy hats. The only time we stopped groovin' was when everyone gathered to share a smile and watch the terrific Junior Video. In true *Class of '98* style, we all came together, danced the night away, and had a fabulous time!

"We had such a good time because we really are all friends, and this shows what a great grade we have."

- Emily Manning

"After waiting for a dance just for us, it turned out to be just as I thought it would, it was a night to remember."

HOMECOMING

The bright sun shining down on Hingham High on Homecoming Day 1997 only added to the excitement surrounding the day's activities. From the first boys' soccer game right through the football game, the teams were pumped, the crowds were wild, and the spirit was high. Although field hockey was the only victorious team, the whole town showed up to support everyone. The parade was better than ever, with the Senior "Light of the Future", the clear first-place float. The day's excitement peaked at half time of the football game when the

Homecoming Court was introduced and Ryan Wilson and Christine Ryberg were crowned Homecoming King and Queen. Homecoming '97 will always be remembered as a day of tough games, fun times, and overwhelming school spirit.

"I WAS REALLY SHOCKED AND HAPPY AT BECOMING HOMECOMING QUEEN, BUT I WAS ALSO SAD BECAUSE IT WAS ALSO OUR LAST HOMECOMING TOGETHER."

-CHRISTINE RYBERG

"AT THE BEGINNING OF HIGH SCHOOL, I DIDN'T THINK I'D EVEN ATTEND PEP-RALLIES. TODAY I'VE BEEN IN TWO, AND WAS A MC FOR ANOTHER. KINDA KOOKY, HUH?"

THE DANCE...

Hingham students certainly got a vigorous workout at Homecoming '97 as they migrated from the cafeteria to the gym in search of good music and a happening dance floor. Space was limited this year, but fortunately everyone was able to get a ticket. As always, nothing could stop us from tearing up the dance floor and partying late into the night.

FASHION

Walking through the halls of Hingham High School may not reveal as many diverse styles as walking through Boston, however, many students have found their own niche. From the Army Navy Store to Abercrombie and Fitch to Talbots, there is a wide range of looks. Varsity jackets, warm-ups, and sneakers provide a sporty appearance, but still allow for comfort. Short shirts and tight pants are the trendiest of styles. These are the styles that allow students to express themselves and set them apart from others.

Boys' AND Girls'

Cross Country

This year's Cross Country team does not go down in history as one with the most wins, but as one with the most spirit. The girls' team earned three wins and five losses, but produced outstanding performances. The girls' team was led by junior co-captain Christina Seremetis, Courtney Allen, Kristin Skrine and senior Laura Caldwell. Senior co-captain Martha Clark, along with juniors Allison Melia and Kelly Lynch were other great performers who added enthusiasm and depth to the team. The underclassmen also scored points for the team and contributed greatly to an excellent season. The members of the boys' team made major personal improvements throughout the season, although they did not come away with any wins. The top finishers for the boys team were captain Mark Bologna along with sophmores Tyler Neilson, Jamie Diorio and Micah Weisburg. Both groups of athletes made major improvements over the season and showed great prospects for the upcoming year.

Seniors: Laura Caldwell with captains Martha Clark and Dan Spahn.

Field Hockey

The Hingham Harborwomen finished off an excellent season with an overall record of 11-5-3. They were led by tri-captains Wendy Ciovacco, Lacey Pustizzi, and Stacey Saggesse, along with fellow seniors Karen Bonner, Sharyn Clemente, Chrissy Daly, Beth Daly, Kendra Juhola, Patricia Kelley, Katie Pelletier, Emily Quirk, and Megan Williams. The team was one of Hingham Field Hockey's strongest ever. The Harborwomen were one of the top groups around, missing the ACL League title by only one point. We'll always remember the bus rides, the spaghetti dinners, the sleep-overs, and of course....Tom. Thanks to Ms. Gordon and Heather, and good luck to Hingham Field Hockey 1998.

Boys' Soccer

The 1997 Soccer season had its ups and downs for the boys at Hingham High School. The team was lead by tri-captains Alex White, Phil Finn, and Paul Muldoon. Highlights of the 1997 season included a 2-1 victory over Whitman-Hanson and 2-2 tie against Plymouth South. The Harbormen gave up few goals this year with Alex White in goal and a defense built around Ben Spruill, Ryan Wilson, Alexis Studley, and Garry Bismore. Seniors Phil Finn, Paul Muldoon, Adam Florey, and Topher Gudmand controlled the midfield, while Ryan McDonough led the offense attack. Although the Harbormen did not make the tournament, Coach Forrell felt that this was one of his more talented teams. Phil Finn, Alex White, and Ben Spruill were named League All-Stars. Next year's team looks to be strong and will be led by many talented underclassmen.

Girls' Soccer

Hingham High Girls' Soccer was taken to a new level this year by new coach Guy Enoch. The team's record does not reflect the improvement and dedication of its players. A short passing game was implemented for the first time this year. Highlights include a tie against ACL powerhouse Duxbury 0-0, and a 1-0 win over Whitman-Hanson in Hingham's last home game. Co-captains Melissa Christino and Jan St.Pierre and seniors Megan Aucoin, Katie Gianferante, Paula Habel, and Lynda McCarey played exceptionally well, providing an example for the younger players on the team.

Megan shows everyone true soccer style.

Football Cheerleading

The 1997 Football Cheerleaders really came a long way to becoming what they are. They were all dedicated and enthusiastic and really got the crowd going. They attended Universal Cheerleaders Association camp(UCA) for four days over the summer and came out an entirely different squad. There , they learned new cheers, fancy stunts, and exciting dances which they displayed at games and pep-rallies. At camp the entire squad qualified to perform in the Citrus Bowl in Florida. They accepted the offer with pride and excitement. Cristina Barbuto qualified to go to London as well as an All-Star cheerleader, but she decided to stick with her squad in attending the Citrus Bowl. Deidre Londregan made the most improvement of all by showing more and more enthusiasm and dedication. Mary Ellen O'Donnell was the organizer who always had things planned and written out for the benefit of the team. There were a lot of good times, laughter and hard work. Things to remember: -Big offenders-, "I'm wicked psyched!" No practice...gossip time! La choo choo, and Ladies night. The girls really enjoyed what they did and they were happy that the season went well for them.

Capt. Mary Ellen braved the cold at the Thanksgiving game.

Christina Barbuto and her fellow cheerleaders show the height of their Hingham High spirit.

Football

Whatever it takes! 1-9. Not the best season, but under the circumstances, we tried our best. Without two out of the three tri-captains,(sidelined Jeff Shore re-injuring his ACL, and Matt Stephansky breaking his collar bone in the last scrimmage of the pre-season,)we didn't start out on the right foot. Trying to replace key positions before the first game, we fell short on Homecoming against Hanover and then the next week to Randolph. The following week we pulled things together and got ourselves our first win in Nantucket. This being Nantucket's first loss in 14 years...things were looking better. Captain Ron Lawrence took the responsibility of leading the team himself, and ended up rushing over 1,000 yards to become one of the three All-Star running backs in the Atlantic Coast League. Bryan Smith also played a great year and received a honorable mention as a defensive all-star of the Atlantic Coast League. Other seniors stepped it up and played a great season: Carlo Agostino, Pat Ryan, Ken Bycoff, Erik Johnson, Sean Coleman, Joe Primo, Brendan Duff and Tim French. Too many things to remember...Nutty's Smoothie stories, the Cobra, Smitty losing 40 lbs and gaining an attitude, and two idiot tackles. We can look back at the last four years and say that we played hard and had fun. BEATERS FOREVER!!!

Winter Track

This year's winter track team was one full of team spirit and excellent athletes. The team was lead by captains Paul Muldoon, Ben Spruill and Ben Hallet, Martha Clark, Courtney Allen and Christina Seremetis. This season was made famous by an outstanding 4x400 relay team made up of Paul Muldoon, Ben Hallet, Ben Spruill, and Evan Lindquist. Excellent performances in the high jump were displayed by Paul Muldoon, Ben Spruill and Jeff Wilburn. The girls team also displayed terrific performances by juniors Rosamund Healy throwing shotput, Kelly Lynch on hurdles, as well as Kristin Skrine and Christina Seremetis leading the distance team. Our underclassmen show great prospects for a successful team in the future. This year's winter track team was not only outstanding in performance, but also in spirit.

Wrestling

In the 1997-1998 wrestling season, the team proved to be the one of the most dominant forces on the South Shore. Winning the ACL, the Whitman Hanson Tournament, and the Marshfield Holiday Tournament, the team rallied with a 20-5 season record. Impressive starters were Dave Swanson, Dan Primo, Carlo Agostino, Peter Youssef, Chris Primo, Craig Buckley, and heavy-weight Brian White. Big winners were also Joe Primo, Chad Saltmarsh, Chris Bleidorn, and Matt Hersey. The team would like to thank coaches Dave DiMarino and head coach Bill Barges. Great sportsmanship and hard work were enforced by the four impressive captains: Carlo, Swanson, Buckley, and Youssef. They would like to wish the team good luck next year and to keep up such an awesome record.

Girls' Basketball

The winter season of '97-'98 proved to be a special one for the HHS girls basketball team. The team was led by five seniors- Melissa Christino, Jan St. Pierre, and Tri-captains Megan Aucoin, Paula Habel and Stacey Saggese. The five seniors have become great friends while playing together since elementary school in youth and travel leagues. Backed by a team of five juniors and one sophomore, the future looks bright for the girls' team. Ending the season with a league record of 13-5, the team looks forward to a great 4th trip to the tourney. This season has been the best! There have been numerous spaghetti dinners and memorable sleepovers. Best of luck to next year's team.

Boys' Basketball

The winter of '97-'98 provided one of the most talented teams to ever come out of Hingham High. The five seniors included Captain Pat Durgin, Andrew Monticone, Jamie Lyons, Ryan McDonough, and Stick Ryan. These five seniors were complemented very nicely by talented underclassmen. Between the seniors and the fiery attitude of Coach Phelan, Hingham basketball is now on the map and a respected powerhouse in Division II South. Coming off a winning season of 13-7 from a year ago, we have great expectations for the coming years.

Pat Durgin

"Thanks to all the seniors. We have had some great times together in the past ten years...it's been fun."

Boys' Basketball Pep Squad

The spirit of the basketball pep squad was inspirational. With the leadership of senior captain Mary Ellen O'Donnell and sophomores Andrea Wright and Cara Green, the girls were very supportive. Their season was very relaxed compared to their very active football season; however, it did not keep the girls from motivating the boys in a very strong season.

"Although there were only three of us, we still had a really good time!"

- Mary Ellen O'Donnell

Hockey Cheerleading

The '97-'98 hockey cheerleading season started off slowly. Losing all but the cheerleaders to graduation, we had to start all over with new girls. Captain Kristen McPherson worked with the girls to teach them all the cheers. With the help of Caitlin Hirsh and Kristen Carnrick, the girls were great. Team memories: the Center, "Pony", Hanover fans, "the room", tourney games, pep-rallies (y!1-2-3-4), the spicegirls, Kristen and Caitlin's puck incidents and Friday's. Thanks to Mrs. Karen DelGallo for all her love and support. Good luck next year!

Hockey

This year's hockey team had a productive season. After easily winning the Division II State Championship last year, the team stepped up to Division I where they have been faced with new and challenging opponents. The team was led by co-captains Grant Daley and Brain Sliney along with seniors Vinny Forgione, Chris Lacroix, Dan McLaughlin, Matt Landry, Sean Coleman and Pete Morgado. Despite injuries, the team's hard work, strong effort and good sportsmanship held the team together. The team would like to thank all the coaches for their hard work and their commitment to the team.

Ski Team

"It's not if you win or lose... it's how you play the game." That pretty much sums up the season. The team did not have the greatest season, but they did work especially hard. Captains Katie Martin and Amanda Diorio displayed their leadership for the many freshman additions to the team. With Coach Maura Zaccardi and first year assistant Aly Tesler, the team broke a score of 100 twice, beating the team's record of the previous year. Suffering from multiple injuries and adjusting to a new gym, the team fought for an unforgettable season . Long live Kimmy the Monkey!

Gymnastics

'Twas the first night of winter
And all over Blue Hill,
The ski team was racing
To keep off the chill.

The evening began
With a fall from the chair,
And a joke on the height
of Tom Preston's hair.

The skiers were freezing
In their tight G.S. suits,
With feet that were crammed
In uncomfortable boots.

Despite their discomfort,
They ripped up the course,
And showed that Hingham
Is the dominant force.

All season long,
We continued to thrive,
And we knew that forever
Ski team would be alive.

We'd like to give thanks
To Coach Ken and Coach Bede

Boys

The 1997 Boys' Lacrosse team had an impressive season that brought them into the state tournament. Strong defense was led by Terrence Riley and Jeff Kilroy. Midfielders Phil Finn, Jeremy Steiner, and Tyler Underwood displayed their impressive skills and worked together to come up with the victories. The 1998 season looks to be very promising with co-captains Terrence Riley and Jeremy Steiner, along with returning seniors Phil Finn, Jeff Kilroy, Tyler Underwood, Jeff Wilburn, and Devin Sylvester. Their dedication to lacrosse as well as their positive attitudes is what will carry them through to the State Tournament once again.

Girls' Lacrosse

The 1997 season was very successful. Led by tri-captains Lauren Cullings, Heather Saylor, and Emily Stearns, the team was seeded second in the tournament, was South Independent League Champions, and ended up with an impressive record of 13-2. This year the team is looking forward to an even more rewarding season. The leadership of Coach Heather Williams and co-captains Melissa Christino and Stacey Saggesse, along with the talent of the returning Varsity players, should position the team to recapture the SIL title and advance well into the State Tournament. Boys' Tennis

The Hingham High Boys' Varsity Tennis team is loaded with talent! Individual accomplishments were notable. At second singles, Mike Tremblay took an intimidating stance with his bright red bandana and his powerful serve. Kenny MacLean and Chris Balsamo showed no mercy at third singles with their quick feet and dynamic strokes. First doubles team Ben Levine and John Indrisano unified and worked together to put their opponents to shame. Whether on the court playing a match, or cheering from the side, the team showed a great deal of enthusiasm. In retrospect, Ben Levine states, "the tennis team rox the party that rox the body and yalls needa recanize us." The boys are looking forward to a productive season with a very talented group who plan to advance in to the State Tournament.

Girls' Tennis

The Girls' Varsity tennis team finished off a tremendous 1997 season. Not only did they place first in the Atlantic Coast League with an undefeated season at 16-0, but advanced to the semi-finals in the state tournament.

With an extra effort in singles from newcomer Molly Prendergast and veteran Caitlin Fahey, and an undefeated season for Britton Lacy, the team always felt assured. At first doubles, Kellyann and Courtney Jeffries were a great match up and proved that sisters can in fact read each other's mind in game strategy. Nancy Fine and Allison Walsh racked in the points at second doubles and were always counted on to tear it up at net! As the season went on, the team seemed to get closer and depend on each other for support. You could always rely on loud cheers and encouraging words at the matches. Bus rides brought everyone together, discussing daily stresses and just being loud and stupid, getting pumped for matches. Mrs. Sides was a great coach who always knew what to say and also let us eat all of her birthday cake!!!! The '98 season is

a very promising one with returning seniors Laura Caldwell, Lizzie Ford, Kendra Juhola, Christine Ryberg, Angela Agostino, Kerry Landers, and co-captains Allison Walsh and Courtney Jeffries. In addition to the many seniors, we also have several young players who intend to kill! That's what we're going to do.....KILL!!!!

Spring Track

The 1998 spring track season is expected to be successful for the girls' team. With returning Most Valuable Player senior captain Inge Kuipers expected to dominate sprinting and jumping events, senior captain Martha Clark controlling the distance, and senior captain Kate Harrington leading the throwing events, Hingham should have a productive season. The team also has promising junior athletes, including shot-putter Rosamund Healy, and distance runners Christina Seremetis, Courtney Allen, and Kristin Skrine. The underclassmen had a great start and showed great potential for the future. All of the athletes displayed determination, dedication, and true talent. Great things are in store for this year's team!

Base

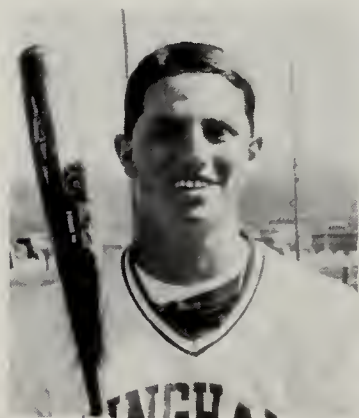

After a disappointing season in 1997, the Harbormen hope to bounce back by winning the Atlantic Coast League title, and hopefully a state title as well. This year's team is led by senior outfielders Ryan McDonough and senior pitcher/infielders Jamie Harrison and Brian Sliney. Breandan Duff, who won an MVP for his defense last season, will also be a key player in the coming season. Powder Puff

The fastest, fiercest, and most ferocious members of the Class of '98 took the field for Powderpuff 1997...the girls. Our annual bloodbath-I mean football game between the Senior women and the Junior girls, was a matter of revenge. The last minute switch to two-hand-touch wasn't enough to cool down the tempers of the fired up Seniors. It took about five minutes for the Seniors to realize that a lot of damage can be done with two hands. The many hours of tough practice, painful drills, and endless tickle-machine runs payed off on the field. A supportive coaching staff and sheer determination fueled the Seniors to a 12-0 win over the Juniors. We would like to thank all our coaches for their time and patience. Don't forget girls - it's always better after a win!

Getting phat for the game!

The coaches were confident that the SENIORS would win.

Emily, Courtney, Melissa, and Jane are ready to rumble!

From a sweet little girl to a beautiful young woman -- what a journey! Though it has not always been easy, you have persevered with your own quiet determination. I am so very proud of you and I know that your Dad would be, too.

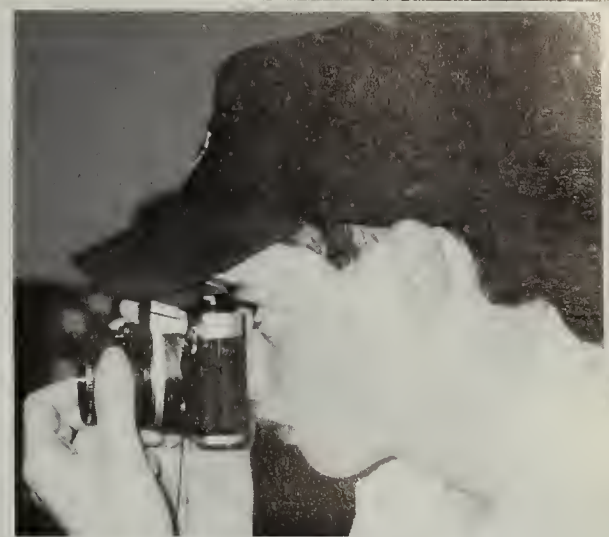

As you continue on your journey, please know that though there may be tears in my eyes, my heart is filled with joy and love. Congratulations, Allie!!

Love,
Mom

Patrick,

Try not. Do, or do not. There is no try. In your pursuit of peace and justice, remember, the Force will be with you ...Always!

Share memories of the good old days- and dreams of days to come.

Courtney-

The picture is old, but you haven't really changed... Always the optimist and ready for a good time, silly but sensible, adventurous yet cautious, and always able to laugh at yourself.

You are your own person blessed with the ability to love and appreciate a commitment to your family, faith and friendships. We are proud of you.

The world stands out on either side
No wider than the heart is wide;
Above the world is stretched the sky,-
No higher than the soul is high.
The heart can push the sea and land
Farther away on either hand;
The soul can split the sky in two,
And let the face of God shine through.

PATRICK,
Thank you for all your help and support- we
couldn't have gotten the pizza without you!!!
For three people that didn't expect to become
really good friends, we became a close family!
Reminding you to get back to work finally paid
off. You did a better job than we could have
ever done.
